If you have a junior girl at your club, please do let a member of the county junior committee know. There are lots of fun opportunities for them to meet other young golfers and develop their skills.

Remember juniors are our future and we need to nurture their enthusiasm and talent

IMPORTANT NOTE ABOUT THE 2021 COMPETITIONS

The competition schedule and conditions for each competition may be subject to change, including cancellation or postponement, because of COVID-19 guidance as published by the Government and England Golf.

Also, it may not be possible to include the usual post competition meal, in which case there will be an adjustment to the entry fee

WE WILL KEEP YOU UPDATED

NOTES ON ENTERING COMPETITIONS

- Entries for all competitions in 2021 will be **accepted from 1 MARCH 2021 at the earliest**
- Entries must be submitted to the designated competition organiser by the published closing date (normally 4 weeks before the event). Entry fees must be sent at the same time to the Treasurer
- **Entries received after the closing date will not normally be accepted**
- Please complete all relevant boxes on the form in BLOCK CAPITALS
- Contact details for all designated competition organisers are provided in the County Blue Book and on the competition posters
- Start sheets will normally be sent out by email as soon as possible after the closing date. If a hard copy of the start sheet is required, a stamped addressed envelope should be sent to the competition organiser along with the entry form

SUBMITTING YOUR ENTRY FORM. Entry forms can be downloaded from the county website. Completed entry forms can be sent either by **email or by post** to the designated competition organiser

PAYMENT OF ENTRY FEES

IMPORTANT: All entry fees must be paid at the time of entry irrespective of the method. You can pay in one of two ways:

THE JEAN WILKINSON TROPHY

Completion date for group matches - Sunday 8 August

Semi-finals and final will be played on Monday 6 September at The Cambridgeshire

Clubs will be drawn into four groups, each comprising of no less than three clubs

- Inter-club league with each team consisting of seven players drawn from three handicap index bands:
 - two players from handicap index band 10.0 -16.4
 - three players from handicap index band 16.5 – 22.4
 - two players from handicap index band 22.5 -36.0

Note: County 1st team players for the current and previous season are not eligible to play

- Details of the group draw will be issued around June for the following year. All group matches must be played both home and away. All games are played off scratch over 18 holes under normal match play rules
- Players may play in:
 - any order within the designated handicap band
 - a lower handicap band, but NOT in a higher band
- Two points for a win or unplayed concession (see below) and one point for a half. The result of any partially completed conceded game shall be whatever the state of that game is at time of the concession
- If an individual game is conceded on the day without being played, no winning margin should be assigned
- The winning margin of each game must be recorded, but margins will only be used if teams are tied on completion of all group matches
- If a group is tied after winning margins are taken into account, the County Competition Secretary will arrange a deciding match on a neutral course

- It is expected that all individual games/matches will be played, and every effort should be made to ensure this. In the event of one or more games in a match potentially being conceded, the situation will be managed as follows:
 - a match will be deemed to be **viable if 4 or more games are played**; 2 points will be awarded to the opposition for each conceded game (i.e., up to a maximum of 6 points)
 - a match will be deemed **non-viable if 4 or more games are to be conceded**. In this scenario it is expected that:
 - a change of date should be discussed between the two teams and if, **after all reasonable efforts have been made to rearrange the match, no date can be agreed**, the County Competition Secretary should be informed
 - If, following further mediation by the County Competition Secretary, no alternative date can be negotiated, the team that concedes the whole match will be removed from the group for that year along with any points from matches already played
- **In both the semi-finals and final**, all games will be played to a conclusion under normal match play conditions, unless a clear match result has already been achieved, in which case the captains may call their players in
- Trophies presented to the winning and runner-up teams. Medals will be presented to the winning team
- **Key Contact: County Competition Secretary: Joy Billany** 165 Christie Drive, Huntingdon, PE29 6JP ✉ joybillany@hotmail.com

THE GRACE NORMAN TROPHY: Handicap index limit – 30.4 per player

Semi-final and final to be played in mid-late August on a neutral course

- Foursomes knockout played over 18 holes
- A team will consist of three pairs (not necessarily the same players for each round)
- Details of the draw will be issued around June for the following year and will clearly indicate the cut-off date for each round and the home and away club
- Played off 1/2 difference of each pairs' combined competition course handicap
- In ALL rounds, including the semi-final and final, all games will be played to a conclusion, unless a clear match result has already been achieved, in which case the captains may call their players in
- The result of a partially completed conceded game to be whatever the state of that game is at time of the concession
- No extensions to the cut-off dates for each round will normally be allowed. If the home course is not available through bad weather, play to be on the away course. If for any reason **the match cannot be played by the cut-off date, a result will be determined by the toss of a coin**
- In the event of a whole match concession, the opposition will progress to the next round
- Trophies presented to the winning and runner-up teams. Medals will be presented to the winning team
- **Key Contact: County Competition Secretary, Joy Billany** 165 Christie Drive, Huntingdon, PE29 6JP ✉ joybillany@hotmail.com

INTER-CLUB SCRATCH LEAGUE

Dates: all matches to be played between 1 April - 30 September

- The number of divisions will be determined by the number of teams entering each year. Each division will consist of not more than four teams, resulting in a maximum of six matches
- All singles matches /games played off scratch over 18 holes under normal match play rules
- A team will consist of three players declared in playing handicap index order, lowest first
- Matches will be played home and away, with two points for a win or unplayed concession and one point for a half. The winning margin of each individual game must be recorded. No winning margin for a match conceded without being played
- In the event of a tie at the end of the season, the overall results of the teams concerned when playing each other will decide the result. If still a tie, the number of points scored against each other, then the winning margins against each other and then their total winning margins will decide. If still no result, the County Competition Secretary will arrange a deciding match on a neutral course
- Normally, at the end of the season, the winning team in Divisions 2, 3 & 4 will move up a division and the bottom team in Divisions 1, 2 & 3 will move down a division. Note: it may become necessary to vary this condition, depending upon the total number of teams entering in the following year
- Teams joining the league for the first time, will normally be assigned to the lowest division, but this may vary
- No player may represent more than one club during the season
- If an individual club enters two teams, players may only play for one team
- It is expected that all individual games/matches will be played, and every effort should be made to ensure this. In the event of one or more games in a match potentially being conceded, the situation will be managed as follows:
 - a match will be deemed to be **viable if at least 2 games are played**; 2 points will be awarded to the opposition for the conceded game
 - a match will be deemed **non-viable if only one game can be played (i.e. 2/3 games to be conceded)**. In this scenario it is expected that:
 - *a change of date should be discussed between the two teams and if, after all reasonable efforts have been made to rearrange the match, no date can be agreed, the County Competition Secretary should be informed*
 - *If, following further mediation by the County Competition Secretary, no alternative date can be negotiated, the team that concedes the whole match will be removed from the group for that year along with any points from matches already played*
- The trophy is awarded to the winners of Division 1 and medals presented to the winners
- **Key Contact: County Competition Secretary: Joy Billany** 165 Christie Drive, Huntingdon, PE29 6JP ✉ joybillany@hotmail.com

GENERAL INTER-CLUB TEAM MATCHPLAY CONDITIONS

- The home team shall offer the away team a minimum of THREE dates for the match to be played, at least one of which shall be a weekend and one a weekday. It is recommended that a reserve day is identified in the event that inclement weather or other unforeseen circumstances prohibit play on the previously agreed date
- Both teams shall be responsible for arranging individual matches in good time
- A player can only represent **one** club in each competition
- It is expected that all individual matches shall be played and every effort should be made to ensure this. The process for managing concessions is detailed in the individual competition conditions. No match may be conceded before the day of play and whole ties may not be conceded, without prior discussion with the County Competitions Secretary
- Team captains must exchange their team sheets and playing order prior to commencement of the match. No substitutions are permitted once team sheets have been exchanged
- Any team member not present by 15 minutes after the first tee time should concede her individual match to the opposition
- Visitors will have the honour on the first tee, with the exception of the semi-finals and final when there will be toss for the honour
- Each team may appoint **one** person who may give advice to members of that team. This person must be identified prior to commencement of the match (see Rule 24.4)
- Players may shelter in bad weather and leave the course if necessary. If conditions allow, play should resume on the same day from the point of disruption. If resumption is impossible, the results of completed games stand, but incomplete games will be deemed to be halved. Captains together with the Club Professional shall be responsible for the decision to resume or call off play
- Only captains have the authority to call players in from a game still being played when the overall match result has been determined
- The results sheet must be correctly completed, dated and clearly signed by both team captains. It is the responsibility of the home team captain to send the results sheet to the County Competition Secretary within 5 working days of the match. It can be sent either by post or electronically as a scanned document
- For the semifinals of the Grace Norman and Jean Wilkinson, a team sheet will be sent to the Team Captains for completion and return to the County Competition Secretary at least 2 (two) days prior to the event. **NB** Amendments can be made on the day in the event of sickness/injury/handicap changes or player withdrawal
- Rules advisor(s) will be available for advice and decision making during both the semi-finals and final of the Grace Norman and Jean Wilkinson and in the Mary Cole Rose Bowl
- Permission for any player to use a buggy in a match must be obtained from the County Competition Secretary and the opposition team captain informed accordingly, if permission is granted
- All relevant General Competition Conditions must be upheld

GENERAL COMPETITION CONDITIONS

All CHWGL competitions will be informed by the Rules of Golf (R&A, USGA 2019) and the policies and guidance published by England Golf

Key England Golf documents include the following:

- Hard Card (2021) - copies will be made available to all competitors via the county website and on the day of the competition
- Policy on the Use of Golf Buggies (February 2018)
- GDPR Guidance (2018)
- Safeguarding children and young people: policy & procedures (2021)
- Safeguarding adults policy & procedures (2021)
- Guidance on the Equality Act 2010 and Golf (April 2018)

It is expected that all players will

- be familiar with the rules of golf (2019)
- uphold the spirit and integrity of the game

All entries to CHWGL competitions are subject to the approval of the Competitions Subcommittee, who shall have the right to refuse entry without assigning a reason

All Competitions shall be open to female amateur golfers who are playing members of a club affiliated to CHWGL irrespective of membership type

A player may only compete in the County Championship or represent the County if they are either born within the county or are a playing member of a club affiliated to CHWGL irrespective of membership type and may only represent one county in any season

1. A player must provide a valid EG member ID (formerly CDH number) on the competition entry form so that handicaps can be verified via the WHS database prior to the start of the competition. An individual player will be responsible for informing the competition organiser on the day if their handicap index has changed in the period immediately preceding the competition
2. An approved ball must be played
3. All ties to be decided on a count back over the last 18, 9, 6, 3 and 1 hole(s), except scratch trophies, which will be shared, unless stated otherwise in the individual competition conditions. Unless otherwise stated in the specific competition conditions a player may win more than one trophy, but not normally more than one prize
4. A player arriving late on the tee may be disqualified or penalised under Rule 5-3. The competition committee of the day (the committee) shall at its discretion apply Rule 5.3 and will take into consideration major traffic disruptions in individual cases
5. Inclement weather:
 - a. course unplayable
 - i. for interclub matches it is recommended that clubs hold a reserve day for such an eventuality

- ii. for main competitions, the competitions committee will determine if it is feasible to arrange an alternative competition day
 - b. extreme weather conditions such as heat, high winds, predicted storms – a local health and safety risk assessment should be undertaken jointly by the competition organisers/match captains (home and away) in partnership with the club professional (or deputy) and/or the club manager. This risk assessment will inform any decision to cancel or postpone a fixture. This should be a local decision, not a county decision as weather conditions may vary. Advice may however be sought from the relevant officer
It is recommended that players should, where practicable, be informed at least 24 hours in advance of any potential postponement
6. If play in a competition is suspended due to inclement weather players may seek shelter and may be called off the course. If after a reasonable time, conditions have improved, then play should resume. If resumption is not possible, the committee reserves the right to alter the format of the competition in order to achieve a result
 7. It is permitted to use a distance-measuring device in any competition, If, however, during a stipulated round, a player uses a device or artificial object to gauge or measure other conditions that might affect her play (e.g. elevation changes, wind speed etc.) the player is in breach of Rule 4-3
 8. Any disputes on the day will be settled by the committee, whose decision shall be final
 9. Pace of play: competitors are reminded that it is the duty of every player to keep up with the game in front, and not just keep ahead of the game behind. The committee will monitor the pace of play and will take action under Rule 5.6 if players are considered to be delaying play unduly. CHWGL supports the principle of safe and responsible "ready golf" in stroke play competitions
 10. Rules advisor(s) will be available for advice and decision making in all qualifying competitions, the semi-finals/finals of the Jean Wilkinson and Grace Norman competitions and the final of the Foursomes knock-out competition
 11. Advice and other help (Rules 10.2 and 10.3): A player is permitted to use a caddie in any competition, except that CHWGL does not permit caddies in junior events nor is it permitted to use a professional or assistant professional as a caddie. Rule 10.3b specifies what a caddie is allowed/ not allowed to do
 12. Motorised golf buggies may be used by a player or caddie who can provide a valid medical certificate. In considering requests for use of motorised buggies CHWGL will use the England Golf Transportation Policy as a reference guide to aid the decision-making. Key points are as follows:
 - a. a valid medical confirmation of a specific condition necessitating the use of a motorised buggy will be accepted from a practitioner registered with the General Medical Council, Nursing and Midwifery Council and Health and Care Professions Council
 - b. **short-term conditions:** a written request should normally be sent to the County Competition Secretary at least 1 week before the competition date and must be accompanied by a copy of a valid medical certificate or equivalent

- c. players with a **long-term condition** necessitating the need for a motorised buggy should submit a written request, with supporting evidence (*proforma available on request*) to the County Competition Secretary. If approved, permission for the use of a motorised buggy for a defined period, which may be indefinite, depending on the underlying condition and supporting evidence
 - d. where the certificated condition prevents the player from driving the buggy, a third party may be approved to undertake the driving
 - e. the player granted permission to use a motorised buggy will be responsible for checking availability, booking the buggy with the host club and complying with host club health and safety requirements and may be required to provide evidence of personal and third-party insurance. Such requirements may also be applied to a caddie or other third party
 - f. permission to use a buggy may be refused/rescinded at any time should conditions on the course be deemed unsafe by the club or organiser of the competition
13. Players are expected to adhere to the dress code of the host club
14. Entries must be sent to the designated competition organiser by the published closing date, which will normally be four weeks before the competition. Entries are to be sent singly or jointly for pairs competitions. Entries received after the specified closing date will not normally be accepted
15. Entry fees must be paid direct to the Treasurer at the time of entry, either by BACS payment or by cheque made payable to Cams & Hunts LCGA (2021 only). The designated competition code(s) should be clearly indicated
16. Entry fees will only be returned to players withdrawing from a competition after the closing date if a substitute can be found. Players wishing to withdraw from a competition must always inform the designated competition organiser who will advise as to the procedure to take
17. Method of ballot for competitions oversubscribed:
- a. higher handicaps balloted out in the County Championship and Foursomes Championship
 - b. in all other competitions, entries will be accepted on a 'first come' basis
18. Players who reduce their handicap from a higher division to a lower division **before** the competition closing date will be ineligible to play in the higher division. If this happens **after** the closing date, they can still play in the competition but must play off their new handicap and will only be eligible for the handicap (net) prize(s). If practicable, everything possible will be done to enable players to play in the correct division
19. Players who increase their handicap from a lower division to a higher division **before** the competition closing date will be ineligible to play in the lower division. If this happens **after** the closing date, they can still play in the lower division but must play off the upper limit of that competition banding. If practicable, everything possible will be done to enable players to play in the correct division
20. Start sheets will normally be sent out by email as soon as possible after the closing date
